AUTO APPEARANCE CARE PLANS

A HIGHER STANDARD OF PROTECTION

We know you've worked hard for your vehicle, and we believe you deserve superior benefits and quality services to help protect it.

Auto Appearance Care utilizes a Paintless Dent Repair (PDR) process that works from behind your vehicle's metal panels to flex and mold the metal back to its original form – like nothing ever happened.

Our highly experienced, nationally certified PDR technicians use specialized tools to repair your vehicle's damages without the use of painting, sanding or body fillers. That means you can be on the road again in about the same time it takes to get an oil change. No hassles. No long lines. No frustrations or inconveniences.

PLAN TERMS

Auto Appearance Care plans are available to cover your vehicle for a duration from one to five years. And if your vehicle already has repairable damage, we offer the same range of plans to cover pre-existing conditions.

Note: Certain restrictions apply. See your dealer for details.
